

Information for resellers and domainers

The GERWAN GmbH is the service provider for resellers, advertisement agencies and media agencies, hosting-provider, IT agencies and domain and industrial consumers.

If you are seeking a partner to support you in establishing a world-wide portfolio with more than 300 TLDs/domain-endings, with attractive conditions and reliable support; a partner that provides you with answers and solutions to all questions and concerns around your domain. We are glad to assist you, so that you may continue selling and distributing products and services to your customers!

We understand our business, having had more than twelve years of experience providing services for our reselling customers. Numerous advertisement and media agencies, hosting providers, IT agencies, industrial domain consumers, as well as a number of internet service providers already depend on our services to register and administer domains and servers for their customers.

Our reseller-program supplies you with all required and desired tools needed as a domain reseller. We support and offer solutions to all questions regarding your domains, allowing you to increase your sales.

Expand and improve your program.

Our domain-reseller program offers you many advantages, including the following services:

- Real-time-Registration of .de domains (RRI)
- Real-time-Registration of .COM/.NET/.ORG domains
- Real-time-Registration of .INFO/.BIZ domains
- Real-time-Registration of many more TLDs
- approx. 300 different domain-endings
- 24-hour domain-applications in real-time
- attractive prices and discounts for industrial consumers
- domain orders per web-frontend, e-mail templates or API interface (soon also available through XML interface!)
- Web-frontend (white-label) with optional sub-reseller administration
- DNS administration including full access to all name-server information
- Individual and competent support

Test our services! Register up to ten ".de" or ".com" domains. If you are not completely satisfied with our work within the first three months, you can delete all ten domains and we will reimburse all fees completely! (This offer is only valid when closing (deleting) all ten domains within the first three months of partnership.)

If you are interested in our reseller program, please fill out the following [Reseller-Inquiry](#). We will then contact you, or you can reach us directly under the following number: +49 (0)228 / 96 96 77-0. We will gladly assist our international customers in English!
